10:00 AM Safety briefing (Tammy Nicholson)

Welcome and introductions (Ron Lang)

(Council ice-breaker: How does winter weather impact your business or sector? Does the DOT provide enough weather and road condition information?)

FAC representative for Moving Iowa Forward Conference (Tammy Nicholson)

10:30 AM State Freight Plan input exercises (Sam Hiscocks, Theresa McClure) (Handout A)

Exercise 1: Modal Improvement List Review - Air, Waterways
Facilitators will explain the process for identifying air and waterways
improvements. After the introduction, facilitators will ask participants to
identify any fatal flaws with the process and/or changes to the lists of
improvements. (Handout B)

Exercise 2: Value, Condition, and Performance (VCAP) Matrix Highway Improvement Discussion

Prior to the start of the activity, facilitators will explain the VCAP process and participants will have time to review the entire highway VCAP list and the corresponding maps by district.

Maps of each district will be placed around the room. Technical experts will be able to provide background and answer questions. Participants will have time to walk to review the maps. At the end of the time, facilitators will ask participants to identify any fatal flaws with the process and/or changes to the list of improvements. (*Handouts C & D*)

11:15 AM State Rail Plan input exercises (Amanda Martin, Theresa McClure) (Handout A)

Exercise 1: Railroad Capital Investments and Projects in Iowa Facilitators will employ a round robin facilitation approach to solicit participants to share their organization's internal priorities for rail projects or types of rail projects within the four main project categories:

Capacity and mitigation of operational chokepoints

- Safety
- Economic Development
- Modal Connectivity

Participants will receive a set of voting stickers to use during this exercise. For each category, participants will receive and use three red voting stickers to identify types of projects to be prioritized. Participants will also receive and use three blue voting stickers to indicate short-term and three green voting stickers to indicate long-term projects.

## Exercise 2: Rail Map Exercise

Large rail maps will be located around the meeting room. Participants will receive voting stickers and painter's tape to place on large rail maps indicating any changes to the following:

- Passenger rail stations in Iowa
- Points of freight rail access in Iowa (i.e. industrial spur, transload)
- Passenger rail services in Iowa (including intercity & commuter rail)
- Freight rail services in Iowa (including new routes or reactivated abandoned routes)
   (Handout E)
